Social Prescribing
Institute of Research
and Education

Creating Opportunities **Together**

Foreword

The Australian Social Prescribing Institute for Research and Education (ASPIRE) warmly invites your support and involvement in Australia's third International Social Prescribing Conference – EACH25 – taking place in Brisbane from 25 to 27 November 2025.

EACH25 embodies the four foundational dimensions of social prescribing: Environment, Activity, Connection and Health, highlighting the holistic approach essential to community-centred wellbeing.

ASPIRE uniquely bridges the worlds of healthcare, social services, and community wellbeing. Positioned at this dynamic intersection, we translate rigorous academic research into practical, policy-informed actions, significantly enhancing how social prescribing is adopted and implemented across Australia.

Social prescribing is rapidly gaining momentum globally and here at home. This innovative approach helps people access non-medical, locally based support, addressing social, practical, and material challenges that often stand between individuals and improved quality of life. In an evolving health landscape, social prescribing represents an exciting new frontier—one that emphasises community connectedness, proactive health support, and sustainable wellbeing solutions.

As a sponsor or exhibitor at EACH25, your organisation will join an inspiring community of practice leaders, policy makers, researchers, and community champions, all dedicated to driving the growth and success of social prescribing in Australia and internationally.

This prospectus outlines diverse sponsorship packages designed to maximise your visibility, offer strategic networking opportunities, and showcase your commitment to community health and wellbeing at this premier event.

We look forward to partnering with you to shape the future of wellbeing together!

A/Prof J.R. Baker

- Researchers
- Clinicians and allied health
- Primary Health Networks
- Students
- Volunteer organisations
- Government officials
- Community organisations
- Philanthropy
- Wellbeing Champions
- Health system stewards
- Policy influencers
- Disability, mental health and aged care service providers
- Private Health Insurance Providers
- Community leaders
- Funders

Conference Location

The **EACH25 International Conference** will be held from November 25-27, 2025, at the Rydges South Bank in the Brisbane CBD, Queensland. The space offers a range of sponsor branding opportunities, be it for targeted streams or for whole of conference coverage.

Conference and Exhibition Outline

The **EACH25 International Conference** will feature a comprehensive program that includes:

- **Day 1:** Registration, opening ceremonies, keynote addresses, a plenary session, social prescribing activities, and a networking cocktail reception.
- **Day 2:** Continued exhibition, plenary sessions, additional concurrent sessions, and networking dinners.
- **Day 3:** Final day of exhibitions, a plenary session, panel discussions, concluding concurrent sessions, and the closing plenary.

Creating Opportunities Together

Keynotes and panellists

Our keynotes and panellists include a compelling mix of international and national experts in social prescribing implementation; social prescribing research and impact assessment; integrated care; health and social care policy making; and place-based implementation of service innovation.

Exhibitor Opportunities

There are limited spaces available across both venues for tables and displays to be setup. Exhibitors will be chosen to provide the best mix of sponsors in alignment with the aims of ASPIRE. Inclusions:

- Standard 1x3m trestle table with white tablecloth with two chairs
- Wireless internet
- Basic power needs
- Logo recognition on rolling PowerPoint throughout the conference
- 1 complimentary conference ticket
- Location in the Podium Ballroom Foyer for the duration of the Conference

For Profit exhibitors: \$3,400 +GST

Not for Profit exhibitors: \$2,400 +GST

Please note that all exhibitors must be available for bump in on 25 November prior to conference commencement from 8-9am and bump out after 4:30pm on 27 November 2025.
